FROM THE HEAD COACH

This week we welcome Old Elthamians to our club. Our last fixture against them saw a strong Old E's team take the win. This is something we are keen to change today. Our performance on that very windy and wet day was excellent, with some of our second XV players in our side putting in sterling performances.

Our last performance against Folkestone was disappointing, we played well for the first part of the game and the last quarter. The boys need to find it in themselves to play like that for the whole game. A good quote here is "you may have to fight a battle more than once to win it". I will let you guess who said that.

Today is going to be an exciting opportunity for our players to stand up against the best team in

the league. We wish them good luck in the league above when they get there next season.

Today is all about sticking to our systems, playing with fire in the belly and ice in our minds.

Celebrate everything, as you always do.

AvMan
Engineering
Limited

AvMan Engineering is a successful Manston based aircraft Gas Turbine engine overhaul and repair facility with worldwide recognition.

We have been based at Manston and carrying out maintenance repair overhaul sales and leasing initially specializing in the Honeywell ALF 502 and LF 507 engines and are the acknowledged market leaders in this type. This engine is fitted to the BAE 146 and Avro RJ types of aircraft. We have UK CAA American FAA European EASDA and Canadian TCAA approvals.

During Covid Lockdown we added the Pratt and Whitney 100 (P&W100) series turboprop engine to our capabilities. This new type guarantees us a long-term place in this very competitive market. The P&W 100 engines are still in manufacture and power ATR 42 and 72 aircraft along with Bombardier Dash 8 Q100/300 Canadair fire-fighting water bomber amongst many other aircraft.

Company owner and founder Chris Wilson says "AvMan sponsors Thanet Wanderers again this year not to gain any commercial advantage but simply to help a great club that puts so much into the local community. "This is why we don't use our company logo on the team shirts but instead present the squadron logo of 29 Squadron RAF, where I served as a mechanic on Lightning aircraft which gave me so much and I wanted to give some recognition back"

AvMan is always looking to employ local people to be trained as engineers so if this might suit you or anybody you know please contact us at 01843 824640 to join another happy and worthwhile team.

We all wish Thanet Wanderers a great season and look forwards to a long and successful future.

MATCH REPORT

THANET WANDERERS 22-27 WESTCOMBE PARK 2ND XV

This was a game where Thanet played a lot of time on the back foot, despite taking the lead with a penalty straight from the kick off. The first half was influenced by the yellow card given to Ben Cannon, apparently for being offside. Thanet had given away a number of penalties and now a penalty drew the visitors level. As the game restarted Thanet were deemed offside and Westcombe Park took the lead 3-6 with a penalty.

Almost on the half hour despite a turnover in the opposition's half, Thanet then lost the ball and it was run back in from the visitor's half to score a try that was converted making the lead 3-13. Thanet were not about to give up and Nick Herbert made a brilliant break from his own half and then a simple pass gave Louis Marshall the opportunity to score. With the conversion secured Thanet were now only three points behind as the game approached half time. Just before the break Cannon, carrying the ball, was deemed to have led with his forearm when fending off a defender and he received a second yellow card which was automatically upgraded to a red.

The second half would become a challenge for Thanet, but they did take the lead early in the second period. Despite originally being held up, the next passage of play saw Henry Mirams intercept the ball and run in another try for Thanet to take the lead 17-13. Wanderers extended their lead and despite the man deficit showed their mettle when Marius Thompson reacted to a ball fumbled by Westcombe Park on their line and scored. The conversion was missed, but Thanet were now 22-13 up with twenty minutes of the game to play. Thanet continued to knock on the door, but they were hampered by being a man down. Just after the hour mark, Westcombe Park ran in under the posts and it was now a two point game, 22-20. Late in the match Westcombe scored what was to be the decisive winning try. Despite that, Thanet were unlucky to have been deemed held up or knocked on over the line in the very last play of the match.

A hard fought game from which the home side deserved more, but came away with only a losing bonus point.

MATCH REPORT

THANET WANDERERS 2S 24 - 21 BROMLEY 2S

Wanderers just edge out Bromley after a gripping contest.

This was a quarter final fixture of the Kent Plate competition against Bromley who are currently fifth in Counties 4 Kent league. Wanderers 2s are 3rd in Kent Rural League A after a successful season to date.

The morning's rain had given way to a pleasant mild afternoon and playing conditions were good. Early exchanges indicated that both teams had good defences and it was no surprise when Wanderers' captain, Tom Stevens opted to go for the posts when a penalty was awarded after fifteen minutes. 3-0 to Thanet. This was a good contest and nearly half an hour had been played when Wanderers forward, Alfie Reeves hustled his way over for a try that was converted for a 10-0 lead. Both sides battled hard but there was no further score before half time.

Early in the second half, scrum half Leon Doody spotted an opening and avoided all tackles as he headed for the line for a fine individual touch down. The conversion was

good and Wanderers were 17-0 ahead. Bromley were a good side and, with time on their side, were not deterred by the lead. Two converted tries within ten minutes brought them close at 17-14 and the momentum was with them. Despite herculean efforts from the Thanet defence, Bromley crossed for a third converted try that gave them the lead at 17-21 with the clock ticking. Play was end to end and it took a lovely converted try from Harrison Quittenden, who is working his way back after injury, to get the home noses in front at 24-21. That proved to be the final score in a closely contested match between two very good sides who provided some excellent entertainment for the spectators. Thank you to referee Richard Ebanks for his quality performance and congratulations to Ben Turner, Thanet's Number eight who was voted to be Wanderers' player of the match by the opposition players.

Wanderers will be away to Maidstone 2s in the semi final of the plate on a date to be confirmed.

MATCH REPORT

THANET WANDERERS VETERANS 26 – 19 SITTINGBOURNE RFC VETERANS

A good crowd is well entertained under the Friday evening lights.

Wanderers had assembled a good team of Veterans with experience in the blue, black and gold from over the past forty years plus. The weather was kind and encouraged the fast-moving handling game that the Vets of both sides produced. Wanderers were on the board after three minutes when scrum-half, Rupert Syred took a quick tap penalty and went through a gap in the opposition line to touch down. Mickey Capeling converted for a 7-0 Wanderers' lead. The visitors soon settled and a good contest ensued but without a further score until halftime neared when, after good handling, the visitors touched down. There was no conversion from the drop-kick attempt and it was 7-5 at the break.

Thanet were again quick out of the blocks for the second period and some excellent handling was very well finished by Tim Williams to extend the lead to 12-5 after the conversion

slipped by the posts. Ten minutes into the half, the visitors' fluent handling brought their second try and with the extras, they were now level at 12-12. It was a really good battle for the next crucial score and it was Royce Cadman who touched down for Thanet after a speedy run to the posts and Wanderers' lead was restored at 19-12. Chris Gregory scored a great individual try to extend Wanderers' lead to 26-12.

Typically, Sittingbourne didn't see that as game over and kept plugging away until the night's referee, Jez Michaels' patience was exhausted and he was running to the posts to signal a penalty try. That score was the game's last to leave the final score at 26-19.

Wanderers are now listed to meet either Park House or Beckenham Vets in the Final of the Spitfire Gold Plate competition on Sunday the 13th of April at Maidstone RFC.

MATCH REPORT

THANET WANDERERS 2ND XV VS. EDENBRIDGE – A HARD-FOUGHT DRAW

On a crisp, blue-skied Sunday, Thanet Wanderers 2nd XV travelled to Edenbridge for an Inner Warrior game, joined by players from Medway and Sevenoaks to form a determined squad. Led by Coach Patrick Liddle and Captain Emily Williams, the team took to the field with a clear focus: play for each other and keep the communication strong.

First Half

Thanet started on the defensive, holding Edenbridge at bay with solid tackling and pressure. Despite strong defensive efforts from the likes of Tabs Raymonde, Helen Hollinsworth, and Kat Stuart, Edenbridge managed to break through with a penalty try and two further tries, one converted, taking a 19-0 lead into halftime. Thanet dominated the scrums early on, but a change to uncontested scrums in the second half altered the dynamics.

Second Half – The Comeback Begins

Determined to turn things around, Thanet came out firing. A stunning solo effort from Tabs Raymonde, sprinting down the wing while shrugging off three tacklers, got Thanet on the scoreboard (19-5). Thanet continued to press, and after a sustained attack, Captain Emily Williams crashed over in the corner for her first-ever try to bring it to 19-10.

With momentum on Thanet's side, Tabs Raymonde chased her own perfectly weighted

kick, collecting it and racing in for another try, with Chloe Siddall adding the conversion (19-17). Thanet weren't done yet—an incredible team effort saw the ball move through the hands, allowing Chloe Siddall to score in the corner putting Thanet ahead 24-19 with just minutes to play.

A Dramatic Finish

Edenbridge threw everything into a final attack. Thanet's defence stood strong with relentless tackling, holding them up over the line at one stage. However, after repeated penalties and sustained pressure, Edenbridge finally found a gap to score, levelling the game at 24-24. The conversion was missed, and the final whistle blew on a thrilling contest.

A fantastic display of resilience, teamwork, and heart from Thanet, coming back from 19-0 down to lead in the dying moments. A hard-earned draw, but a performance to be proud of!
